Winning a strong contract that allows union nurses to care for our communities takes all of our unity. Please mark your calendars with the below dates and plan to attend

Monday, May 2nd – Morning Shift-Change Leafletting (6-8 am at each hospital)

Join nurses from your union negotiations committee in distributing updates from negotiations and recruiting your fellow nurses to attend the next bargaining session, when staffing will be discussed. If you are working, please plan to come early or stay late for your shift to participate.

Wednesday, May 4th – Bargaining over Staffing proposals (9:45 am at Courtyard Marriott Glassboro)

It was clear from nearly every contract survey response that staffing is the biggest issue facing Inspira nurses. Come support your negotiations committee and hear what Inspira Executives have to say about the current state of staffing. If you have a staffing story you wish to share, please contact a member of your bargaining team (listed to the left).

Tuesday, May 17th – Legislative Breakfast (8-9:30 am at the Wyngate in Vineland)

Local elected leaders, community leaders, and members of local unions want to hear what you're fighting for in these negotiations. Come to tell your story.

Thursday, May 19th – General Membership Meeting

Your negotiations committees will be updating the membership of progress to date and if necessary asking the membership to vote to authorize issuing a notice of concerted activity to the hospital.
