

HPAE LOCAL 5106

Safety Issues

Violent incidents are on the rise on our campus. Everyone's safety is at risk, but mostly those who are on the front lines of providing care. Any information that you provide will help us to formulate a plan for a safer workplace.

Name: _____

Position/Shift/Unit: _____

How long have you worked at Episcopal _____

How long have you worked in the ER or CRC _____

How long have you worked in Behavioral Health _____

Have you ever been assaulted by a patient? _____

Did you press charges? _____

If yes, what was the outcome? _____

What are your biggest safety concerns? _____

In your opinion what would make our campus safer? _____

Have you seen safety issues addressed differently in other facilities? If so please explain.
